#### PLENTY OF TIME SAYS OSBORN.

Chas. S. Osborn of Sault Ste. Marie is in Detroit in connection with his office as one of the regents of the state university, says the Detroit Times. He is smilingly disinclined to talk state politics as yet, although it seems certain that he will be brought into the governorship race.

"The people of the state are entitled to a political rest," says Osborn, when the gubernatorial possibilities are discussed. "This is not the time to force upon them the perturbations of a campaign."

"I have had the consideration of the governorship forced upon me by the earnest and solicitous interest of my friends. But I am not going to make any statement as yet. When the time comes, I hope to make a statement that will be satisfactory."

"If the people want me for governor, there is plenty of time yet for me to announce myself. If they do not, there will never be time."

#### WOMAN'S CLUB PROGRAM.

The regular weekly meeting of the Calumet Women's club will be held on Friday afternoon at the Y. M. C. A. building and the program which has been prepared is the first of the regular programs to be given this season. It should prove a very interesting one.

"There was never law or sect or opinion did so much magnify goodness as the Christian religion doth."

2. Medieval Art. Its character and development. A. The Iconoclastic Movement. Mrs. Alice G. Hennes.

### ANNUAL CHARITY MEETING WILL BE HELD NOVEMBER 1

September Report of the Calumet Associated Charities Shows Increase in the Number of Families Being Assisted—Miss Winifred Salisbury is Re-Engaged.

The monthly report of the Calumet Associated Charities for September has just been prepared, and shows that the association has reached more people during that month than in August. The secretary, Miss Winifred Salisbury, now has a record of 59 families in need of assistance, while the report for August shows 56 families. As there were fourteen new cases of destitution reported during the past month, it may be seen that some of those who received aid during August are no longer in need of assistance. The new cases have been referred to the association in different ways, by churches, schools, individuals and other sources, and upon investigation all have been found to be worthy. The secretaries, Miss Salisbury and Miss Sailer, have made 43 calls this month, and have reported 33 cases to those who first called the attention of the association to them. In 18 instances material relief has been extended and in three cases physicians have been secured.

The charity workers are looking forward to the months of November and December as those which will be hardest on the families in need of assistance. The month of February is usually the hardest month, but the approach of winter will find many families unprepared, and the association will have many calls for assistance. The association is well prepared in a general way to meet the demands which will be made upon it. A fairly good supply of clothes is available, but the association is in need of money to meet many of the emergencies which arise which can be properly cared for in no other way.

The first year of the charity association's history in Calumet will come to a close with the last of this month. During that time the residents of Calumet have gained a much better understanding of the purposes of organized charity, and the benefits which are being derived from it. The annual meeting of the members of the association will be held on Monday, November 1, when the reports for the year will be presented, and the board of directors elected. It is not expected that many changes will result.

The board has re-engaged Miss Winifred Salisbury to act in the capacity of secretary for another year and Miss Carrie Sailer will probably be re-engaged as assistant secretary. The board is extremely fortunate in having such experienced workers in charge of the association, and results have been accomplished which would have been impossible under other circumstances. The announcement of Miss Salisbury's re-appointment will be received with pleasure by all who are familiar with the work which has been accomplished.

Postmaster Wickstrom and Councilman McClure are hunting partridges at Copper Harbor.

### PETITION RECEIVED FOR NEW ROAD IN CALUMET TOWNSHIP

Farmers Want Highway Leading From Ridge Street, Swedetown, to Section 29, Township 50, Range 33—Similar Request Will Also Be Made to the Osceola Township Board.

At the Calumet township board meeting held yesterday, a petition for a road leading from Ridge street, Swedetown, to Section 29, Township 50, and Range 33, was presented by farmers living in that district. A similar petition is also to be presented to the Osceola township authorities. Should it be decided to build the road, it will be necessary for the two townships to co-operate in the matter. Part of the proposed road runs on the section lines of the two townships of Calumet and Osceola, while the remainder is in Osceola township. The petitions have been largely signed by the farmers living in that district.

The Calumet township board now has three petitions on file for new roads. These are the petition stated above, one for a road leading through the Trap Rock River Valley district, and another on the section line back of Centennial Heights. It is believed that next spring work on at least two of the proposed roads will be started.

#### PLAYS AND PLAYERS.

Blanche Walsh has opened her season in "The Test" at Norfolk recently. Lina Abaranel is soon to star with her own company in a new light opera.

Grace Van Studdiford is to have a new opera, with music by Reginald De Koven.

Mabel Hite and her husband, Mike Donlin, will appear this season in a baseball comedy.

Winchell Smith and James Montgomery have written a play of life on the Pacific coast entitled "A Native Son."

T. Yamamoto, the renowned Japanese actor, has been engaged by George H. Brennan to play the role of Shima in "The Coast of Chance."

Winchell Smith is reported to be writing a new comedy to be produced by Cohen and Harris this season. It will be called "The Outsider."

Among the actors supporting Maxine Elliott in her new Japanese play, "Sayonara," will be Julian L. Strange, Arthur Whitby and several others.

Brandon Tynan, author of "The Passion Flower," in which Alla Nazimova is to appear this season, will himself act an important part in that play.

Charles Fichtman has obtained the American rights to "The Brass Bottle," a new comedy by F. Anstey, which was recently produced in London with good success.

Mrs. Anna Crawford Flexner, who made the dramatization of "Mrs. Wiggs of the Cabbage Patch," has sold to Liebler & Co. a new play based upon an American topic.

A. H. Woods, the playwright, is said to be engaged on an arctic drama called "A Dash for the Pole," in which he proposes to introduce some features of current history.

It is declared by some enthusiasts that the new play "Anathema," by the Russian writer Andreyev is a "new Faust." It is to be brought out next month in a Moscow theater.

Miss Mannerling will begin her season in "The Watcher," a play in four acts by Cora Maynard. The theme savors of spiritualism, the watcher being the spirit of the mother working wonders in the little family.

Raymond Hitchcock in "The Man Who Owns Broadway," will begin his Broadway season at the New York theater, New York, next Monday. The piece is a musical version of George M. Cohan's clever play entitled "Popularity."

"The Florist Shop" is to be made into a musical play and for that reason Henry W. Savage will interrupt the tour of the piece. Oliver Herford has completed lyrics for the new version. There will be only a few changes in the cast.

Eugene Sanger has been engaged by Walter N. Lawrence to stage "A Citizen's Home." He will also stage "Idols," Roy Horniman's dramatization of W. J. Locke's well known story, to be produced by Mr. Lawrence some time this season.

Liebler & Co. have engaged Hilda Spon for a prominent role in "A Little Brother of the Rich," the play being made from Joseph Medill Patterson's novel by Mr. Patterson and Harriet Ford. Vincent Serrano is to play the part of the "little brother."

### NO BAZAR WILL LIKELY BE HELD BY ELKS THIS YEAR

Calumet Lodge is Kept Busy With Matters Pertaining to the New Temple and Annual Entertainment May Not Be Held This Season—Memorial Tablet Will Be Presented to Lodge.

The regular meeting of the Calumet lodge, B. P. O. E. was held last evening, and the usual business matters were disposed of. A class of candidates were initiated into the mysteries of the order, after which a social session was indulged in by the members.

It is expected that a representative of the Brunswick-Halke company will reach Calumet on Saturday to install the bowling alleys in the new temple, a letter having been received yesterday announcing this fact. The material for the alleys has already reached this city and it is expected that by the time they are ready for use the pool and billiard tables will have reached Calumet, and will probably be installed by the same representative.

Contractor Paul P. Roehm has completed the cement floors in that portion of the basement underneath the veranda of the Elks' temple. It was found necessary to change the position of the boiler. A foundation has been built under it and in a few days all of the work in the basement will be completed.

#### Will Present Memorial Tablet.

Architect F. W. Hennenmuller, a member of the local lodge, has agreed to donate a handsome memorial tablet to the lodge, and this will likely be installed in the lodge room.

#### Probably No Bazaar This Year.

The entertainment committee has not yet reported to the lodge upon the plans for the annual fall entertainment, and it is probable that the pleasures of the Elks' bazaar or play will be forgone this year. The members of the order are kept busy with the plans for the opening of the new temple, and it may be impossible to conduct an entertainment this year.

#### Trophy is Presented.

On Tuesday, this week, the Michigan Elks' association, through First Vice-president Charles E. Lowm of Saginaw, who acted for the state association in the unavoidable absence of State President Harry Scott of this city, formally presented to Owosso lodge the trophy for ritualistic work won by Owosso at Calumet during the Elks' convention. The trophy is one of the most beautiful the Elks could purchase. Following the presentation a program arranged by the officers of the Owosso lodge was given.

#### WILL SUCCEED REV. FISHER.

Rev. Mandus Barrett of Olivet, Mich., has been called by the governing board of the Red Jacket Congregational church to succeed Rev. J. O. Fisher, who resigned two months ago. Rev. Barrett and family are expected to arrive in Calumet within the next three weeks. Rev. Fisher will not depart from Calumet till the last of October and possibly the first of November. He goes to Chicago.

Rev. Barrett is one of the best known Congregational ministers in Michigan. He had charge of the services at the Calumet Congregational church during the illness and absence of Rev. Luther K. Long, the pastor, the past summer, and is not a stranger to Calumet.

#### SUCCESSOR TO GAD SMITH.

The successor to the late Gad Smith of Marquette, as U. S. Collector of Customs, will be named by Senator William Allen Smith, under the present arrangement whereby the federal patronage is divided between Senators Burrows and Smith.

It is reported on excellent authority that the appointment will be given to the Hon. Charles J. Byrne of Ishpeming, one of the members of the legislature which elected Senator Smith and the bearer of the credentials from Lansing to Washington notifying Mr. Smith officially of his election to succeed Senator Alger.
